

Certified Dealer Network Furniture Maintenance Services

Solutions

Maintaining your investment

To keep your furniture looking good and in good working order, Herman Miller's Certified Dealer Network provides ongoing furniture maintenance services.

Continuous care

Scheduled maintenance services include inspection, cleaning, stain-prevention treatment, and lubrication as required.

Warranty

Should your products have warranty issues, our skilled, certified technicians will promptly inspect and repair your furniture on site or provide a replacement if necessary.

Repair

We're available to repair broken or malfunctioning mechanisms, reupholster fabric panels and seating, touch up painted surfaces, repair scratches, or refinish wood furniture.

Refurbishment

To maintain the long-term value of your investment, we'll refurbish your products to like-new condition and match them to new furnishings or new decor.
